

# CALVARY CHAPEL PASTORS TOUR

## GRAND CANYON 2026

### OVERVIEW

Step into an unforgettable journey that goes beyond simply seeing the Grand Canyon. Along the way, you'll explore a unique blend of scientific and biblical explanations for the canyon's formation, paired with powerful apologetic teaching that affirms the inspiration of Scripture and equips you to defend the biblical worldview.

Thoughtfully designed to be both exciting and accessible, this experience features great accommodations without rock climbing, steep hikes, or whitewater rafting—just easy hiking and a serene raft cruise along the Colorado River.

As you take in the beauty of God's creation, you'll deepen your faith through inspiring apologetics and enjoy meaningful fellowship with others on the tour.
